

CAMP 411

KING SOLOMON CHRISTIAN CAMP

Will we sleep in tents?

Nope, unlike back when your youth minister came to camp, you will have a dorm complete with A/C, Bunk Beds & Bathroom. We think tents are cool though.

How's the food?

Believe it or not we've got a big camp kitchen and the food is great! We thought about campfire cooking but you can only roast a hot dog so many ways.

What paperwork do I need?

The Camp needs your registration sheet fully completed and payment turned into one of our partner churches OR you can mail it to us if you're not sure who that is.

Do I need extra money for anything?

It's not a bad idea to bring some extra funds along if you can. The Missionaries at camp love to have students like you partner with them. And did we mention Canteen? Yeah thats snacks and stuff and its pretty amazing.

Hey you! Yeah, myself. don't forget....
